

CONNECTING TOGETHER

As we work with other not-for-profit organizations around the globe, this new monthly communication has been created to update our partners on Professional Petroleum Data Management (PPDM) Association activity and provide highlights that may be of interest and relevant to their members. These ideas are short snippets, ideal for website updates, meeting notes, or newsletters. More information about specific items is available upon request.

If there is specific information your organization would be interested in updates on, please feel free to email communications@ppdm.org and we'll make every effort to include it in future editions.

YOUR EVENTS

Remember, PPDM is able to post our not-for-profit partner's events on our website. Simply email the details to events@ppdm.org!

VOLUNTEER WITH PPDM

The PPDM Association has career building volunteer opportunities available, including the Certification and Professional Development Committees. These committees are looking for a variety of skill-sets and new perspectives. Please contact volunteer@ppdm.org to learn more or sign up now.

LEARN ABOUT CERTIFICATION

PPDM is holding its first live Information Session on the Certified Petroleum Data Analyst (CPDA) program following this year's Houston Data Management Symposium & Tradeshow. If you are in the Houston area on March 2, 2017, join us at our Information Session to learn more about the CPDA program and ask questions in person about how you can earn your CPDA.
