EVENT PARTNERSHIPS

If PPDM is holding an event in your area, we would love to discuss opportunities to partner with you. Partnership could be shared speaking slots, branding, discounts, exhibitor booths and more – and can have a monetary component or be in-kind.

CAREERS

Are you hiring in the petroleum data management industry? Did you know that we can post our member's job postings free on our website? Send your information to info@ppdm.org to get your job posting online now. Don't forget to add the phrase **"CPDA certified candidates preferred"** to attract highly qualified data management professionals to your company.

VOLUNTEERS

We have plenty of volunteer opportunities available to get engaged with either the Calgary Leadership Team, Professional Development or Petroleum Data Management Certification Committees. Contact us at volunteer@ppdm.org to learn more.

RULES

Are you passionate about data quality? Does data attenuation keep you up at night? We are looking for volunteers to fill different rolls within this critical program. Please contact projects@ppdm.org to learn more.

CERTIFICATION

Our Certification Committee is looking for volunteers to join this hard-working Committee as they continue to build, enhance and improve on the CPDA and candidate process. This committee combines a variety of skills and expertise to position this committee for success – so contact volunteer@ppdm.org if you are interested in lending your time.

We are hosting a CPDA Information Session on September 5, 2018, aimed at the Australia Pacific region. If you are interested in the CPDA for you or someone in your company, this free webinar should not be missed! Contact certification@ppdm.org for more information.

WELL STATUS & CLASSIFICATION

Calling all PPDM Members – we are looking for volunteers to review Well Status & Classification V3 and provide feedback before this best practice is finalized and published. If you are interested, please contact projects@ppdm.org to get on the list. Please note, this is for PPDM members only.

PROFESSIONAL DEVELOPMENT COMMITTEE

Do you offer training classes to your members? Did you know that PPDM and our Professional Development Committee are working on a Professional Development Catalogue for data management and petroleum classes? Contact training@ppdm.org to find out how your organization can be a part of this.

The Professional Petroleum Data Management Association (PPDM) is the not for profit, global society that enables the development of professional data managers, engages them in community, and endorses a collective body of knowledge for data management across the oil and gas industry.
