

Calgary

Data Management Symposium, Tradeshow & AGM 2019

October 21 - 23, 2019

Exhibitor Information

Calgary Data Management Symposium, Tradeshow & AGM

Thank you for exhibiting at the 2019 Calgary Data Management Symposium, Tradeshow & AGM taking place October 21-23, 2019, at the University of Calgary Downtown campus.

Each exhibitor is entitled to a 6 foot draped table, two chairs, a wifi connection and power. Each booth may bring one or two standard sized pop up banners for behind their table.

As the Exhibitor area is the main floor foyer for the University of Calgary Downtown Campus, we highly recommend that any electronics or high value items be safely stored in another location. For additional services, please contact events@ppdm.org so that we can work with the venue to arrange them. There is a loading dock available for use to bring materials in. There is parking available both with the University of Calgary and lots across the street.

For exhibitors interested in having materials such as flyers and banners printed locally, our Agenda Sponsor is offering discounted printing services and delivery to the venue. Learn more on their [website](#), and on the next page.

Due to events the previous day, Exhibitor Set Up is between 6:00 AM and 7:30 AM on October 22, 2019, in the lobby. Take Down will be after the event between 4:00 PM and 6:00 PM on October 23, 2019. Please ensure that your take down is quiet so as not to disturb the presentations going on in the next room.

With the more relaxed style of booths this year, we request that you be at your booth during the lunches on October 22 and 23, and during the Cocktail Reception on October 22 at starting at 3:30pm.
