

Houston Professional Petroleum Data Expo

October 25 -26, 2021

Call For Abstracts

We Want Your Abstract for the 2021 Houston Professional Petroleum Data Expo!

The PPDM Association is bringing back the successful Houston Professional Petroleum Data Expo, October 25-26, 2021, at the Westin Houston Memorial City. Attendees at this event can look forward to building their own experience with multiple streams of presentations, panel discussions and interactive sessions on a variety of topics.

Theme

The theme for this year's Expo will be *'Hindsight is 2020: Adapting, Surviving, and Thriving with Data'* – presentations that match this theme will be given preference, however not all presentations must match this theme for consideration. There are five specific tracks that have been selected of highest interest to attendees and will be given priority in the agenda building by the Leadership Team into streams. We are also looking for more presentations this year on Seismic data management and Geospatial data management.

- **Cloud**
- **Analytics**
- **Data Collaboration**
- **Mergers & Acquisitions**
- **PPDM Workgroups & Committees**

Important Information

Abstracts will be reviewed/approved by the Houston Leadership Team. The deadline for **abstracts has been extended to June 18, 2021**. Speakers may submit multiple abstracts. Abstracts may be submitted through the [PPDM website](#) or email - events@ppdm.org. Abstracts must include name(s), titles, contact details, a short outline, presentation type, and a brief biography. Speakers will be given a 50% discount on the registration rate. Speakers must register two months ahead and are required to fill out a Speakers Agreement. Presentations may be run multiple times depending on interest. *Only sponsor presentations will be permitted to have commercial content.*

Houston Professional Petroleum Data Expo

October 25 -26, 2021

What Types of Presentations We Are Calling For

There will be several types of presentations:

- Interactive Sessions –provide attendees with valuable takeaways or feedback. Interactive sessions may include building sessions (ie: building a LinkedIn Profile), 20/20s (20 mins presentation/20 mins discussion), specific topic deliberations, campfire discussions, or other interactive types. Interactive sessions are the most highly requested presentations by attendees.
- Traditional presentations.
- Panel discussions.
- A combination of the above.

There will be five different stages in different rooms dedicated to streams of presentations – if you have a specific stream you wish your abstract to be considered for, please indicate in your abstract submission. Case Study presentations featuring vendors and operators are popular with the attendees and may be given preference.

Thank you to the Houston Leadership Team
